Great Response

After IDEAS 2012 our continual position in IDEAS 2014 proved to be a very successful event, generation a great clientage and a greater feed-back indeed. It has greatly enhanced our marketing experience as well as understanding to the new trends & horizons in relation to military uniforms, accessories, military gears, accoutrements, military & tactical gloves, coins ceremonial products, furnishings, head wares, shoulder boards, uniform insignias & buttons etc.

Thanks to IDEAS 2014 providing manifold chances to flourish NANBA both nationally & internationally at the same time.

Clientage & High Profile Visits

In this event we have not only been visited by already working clientage, particularly from the Middle East, Asia, Eastern Europe & Africa but also by a range of new customers from many countries around the globe including visits of - High Profile Delegates - of course their outlook, interest and forthright intention to work with NANBA in coming years stands us amongst the successful exhibitors.

Exclusively, NANBA also feels honor be to entrusted as a supplier to the various defence institutions of Pakistan particularly to Pakistan Navy.
